Searáidí

Treoracha:

1. Priontáil agus gear amach na cártaí.
2. Cuir iad i bpaca agus iompaithe síos.
3. Bíodh foirne i gceist le 2 imreoir ar a laghad. (Nó is féidir é a imirt le 2 imreoir amháin, gan in iomaíocht le foireann eile.)
4. Tosaíonn foireann amháin. Tá duine amháin ag cur na searáide in iúl agus an duine/na daoine eile ag tabhairt buille faoi thuairim ar an bhfreagra.
5. Cuir amadóir ar siúl ar feadh 30 soicind.
6. Píocann an duine cárta amháin suas agus déanann said iarracht an tsearáid a chur in iúl go soiléir, gan a bheith ag caint.
7. Nuair a fhaigheann an fhoireann an freagra, is féidir dul ar aghaidh go dtí an chéad fhocal eile. Is féidir cárta a chur ar ais ag bun an phaca muna bhfuil sé ar eolas agat. Is féidir leis na daoine atá ag tabhairt buille faoi thuairim ‘pas’ a rá muna dtuigeann siad cad atá i gceist.
8. Nuair atá an 30 soicind thart, comhair na freagraí a fuair an fhoireann agus is é sin an méid pointe a fhaigheann siad.
9. Ansin, téann foireann eile. Ba cheart go n-athraítear an duine atá ag déanamh na searáide gach babhta.
10. Buann an fhoireann leis na pointí is mó ar deireadh, nó is féidir imirt go dtí go bhfaigheann foireann éigin 20 pointe/go dtí 10 mbabhta srl.

Charades

Instructions:

1. *Print and cut out the cards.*
2. *Put them in a deck, turned down.*
3. *Have teams of at least 2 people. (You can play with just 2 players, meaning you won't be in competition with another team.)*
4. *One team begins. One person is acting out the charade and the other person/people try to guess the word.*
5. *Put on a timer for 30 seconds.*
6. *One person picks a card from the deck and when the timer starts, they have to try and act out the charade without speaking.*
7. *When the team gets the answer, you can move on and begin describing the next word. You can put the card back at the bottom of the deck if you do not know it. The people guessing can say 'pass' if they do not understand also.*
8. *When the 30 seconds are over, count the answers you got and that is the amount of points received.*
9. *Another team takes their turn at doing the same. Players should swap each round who is acting and who is guessing.*
10. *The team with the most points wins, or you could play until a team reaches 20 points/up to 10 rounds etc.*
